

The YMCA of the Kanawha Valley
is hosting the 34th Annual Corporate Cup
June 1-June 26, 2019.

Y Corporate Cup?

Corporate Cup is designed to promote fitness, team building, community service and friendly competition among businesses and organizations in the Kanawha Valley. Participation in Corporate Cup gives you a great opportunity to develop intra-organizational teams to build camaraderie, encourage fitness, cooperation AND competition. Every member of your organization may participate. The event is not just for the avid athlete. There are events for every fitness level and community service activities gain a team points. In addition, you can make new connections within our community in a fun and healthy environment. The main idea is to have fun and meet new people while supporting your local YMCA.

Nuts & Bolts:

- **Corporate Cup offers two leagues:** Recreational and Competitive. In Recreational league you participate in all 16 events. Competitive League remains the same, with 3 divisions, based on employee count, to ensure participants are competing against similar sized organizations. In the Recreation League you may join forces with organizations to create a team. Each team is \$700. Two teams cost \$1000.
- 2019 dates are June 1 – 26, running evenings Monday - Thursday; days on Saturday & Sunday.

Benefits:

- Included with your entry fee is a **3 month free membership for rostered participants** in your organization. **Enjoy the brand new health and fitness center.** From May through July, your team will have unlimited access to the YMCA and its facilities, at no cost to you, including gym time and court time. After that, the Y will provide enticing membership fees for all your employees.
- The Corporate Cup is a built-in team building opportunity that can bring together employees who do not always work in tandem.
- Even if your office is not filled with young athletes, you can be competitive. There are a host of non-strenuous activities. In addition, there are points for spirit, cooperation and creativity.
- Points are given for several community service activities, so you can incorporate giving back to your community under the Corporate Cup umbrella.

Finally.... supporting the YMCA of the Kanawha Valley means you are supporting many under-privileged families in our area. Your YMCA is much more than an outstanding sports center. It provides critical facilities and services to support healthy minds, bodies and spirits throughout our community.
